
EFFECTIVE

January 1, 2018.

Subject(s)

1. Pregnancy Complication.
2. Compliance Test.
3. Time Limited Food Assistance (TLFA).

**1) Pegnancy
Complication****BEM 230B****FAP**

A medically documented pregnancy complication confirmation by an M.D./D.O./P.A, certified nurse-midwife, ob-gyn nurse practitioner or ob-gyn clinical nurse specialist, which must include an expected date of delivery.

Reason: Policy Clarification

2) Compliance Test**BEM 233B****FAP**

When a disqualified client indicates a willingness to comply, provide an opportunity to test his/her compliance, provided it is no earlier than one month before a minimum disqualification period ends.

The test may consists of any of these activities:

- Community service -verify participation with community service agency.
- Work experience -verify participation with work experience site.
- Applying for three jobs within 10 days. Use the DHS-402, FAP Compliance Letter, and job application log or other acceptable verification.
- Other employment and/or self-sufficiency-related activities.

Reason: Policy Clarification

3) TLFA**BEM 620****FAP**

Examples were provided and clarifications were made to the Time-Limited Food Assistance policy.

Reason: Policy Clarification
